

Physical Properties:

Colour	Colourless Spray
Odour	Lemon

Air Con Cleaner

Product Features:

- A one-shot aerosol treatment designed to eliminate bacteria, fungi, moulds and viruses from automobile air conditioning units.
- Suitable for all types of cars, vans and trucks.
- De-odourises upholstery and carpets so especially useful in taxis, minibuses and other public service vehicles.
- Complete treatment takes only 10 – 15 minutes.

Direction for use:

- Keep aerosol at room temperature before use.
- Start engine & put A/C system on re-circulation position & on full power.
- Move front passenger seat forward & incline its back forward.
- Place can behind front passenger seat, activate & close door.
- Once aerosol is empty, allow A/C to run for 5 minutes.
- Switch off engine & ventilate the vehicle.

Handling:

- Caution pressurized container: protect from sunlight and other heat sources.
- Refer to Material Safety Data Sheet.

Shelf Life:

- 5 years from date of manufacture.
- Manufacture date can be identified from a five figure code printed on the bottle. The first three figures indicate the consecutive day of the year, the last two figures the year.
